Pillar 1: Prayer

Just a Thought: Prayer invites God into your situation so that you have God's strength and wisdom involved in overcoming or solving a problem.

Scripture: You do not have because you do not ask God. James 4:2b

Discussion questions:

1. What does it mean that prayer is simply "talking to God"?
2. What areas in your life have you tried to change but not seen the change you desire?
3. How could answered prayer change your life now?
4. Have you made a list of things to consistently pray about until God gives you the strategy, strength or provision you need to turn situations around?
5. How could answered prayer change your legacy?
6. Who are the people around you and what are the situations at work or in society that need your prayers?

Legacy Lifter: Who do you have in your life that needs your physical help and prayers? Start to make a list of people that you have a way to help or serve and also to pray for. It may be wise to focus on helping only one or two at a time depending on the situation. Watch what God will do as you help them win both spiritually and naturally.
