### **Pillar 4:** Purpose

**Just a Thought:** Living out our life purpose can be very challenging. First we have to discover what it is. Even when we do that, we have to then organize our life to live it out. The reality is that if you sat down with the average guy and asked him if he knew whether or not he was living out his life purpose, you would probably get a blank stare and not much of a response. God clearly created us for a purpose, but we will never live it out without being intentional and steady in its pursuit.

**Scripture:** For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future. - Jeremiah 29:11

### **Discussion:**

1. Do you feel like your life has a purpose?
2. Can you describe your life purpose in one sentence?
3. What’s the difference between being busy and living your life in your purpose?
4. What things do you need to do differently to live out your purpose?
5. What are some roadblocks that need to be removed to live out your purpose?
6. Who do you have in your life to encourage and help you live out your life purpose?

**Legacy Lifter:** Life purpose comes from God giving us a vision to live out (see Proverbs 29:18). That vision causes us to order our lives in a way to live out that purpose. Having vision and a plan to live out your purpose is the difference between actually living a great life or just sitting on a bar stool and talking about the glory days. The thing that you feel that greatest burden on our heart is most likely connected to your purpose. Spend time with God, dream, and then go for it.
