Pillar 6: Perseverance

Just a Thought: Perseverance is the ability to stay focused and to keep going through all of life's trials and all off the things that pull you away from your life priorities. Perseverance is also the conviction to keep going and NEVER quit on your marriage, your faith or your family. Perseverance also learns from failure or inability and drives you to keep growing.

Scripture: Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. - Galatians 6:9

Discussion:

1. On a scale from 1 to 10 with one being "I'm a big time quitter" and 10 being "I'll die before I quit" who are you at your core?
2. What are 2-3 things in your life that you are committed to persevering in?
3. Have you written down the steps you need to take to achieve your desired goals and life outcomes?
4. Do you have a lifestyle that includes things like exercise, rest, daily quiet time with the Lord and other things to keep you strong and help you not become weary?
5. What are some non-essential things using your time and energy that you can eliminate from your life?
6. Have you established people in your life that encourage you to persevere and hold you up when you feel weary?

Legacy Lifter: George Patton said, "Fatigue makes cowards of us all". We have to look at weariness as an enemy that will make us cowards in life and not able to persevere. Many men are too tired to fight for their marriages and families. Many men fall into sin when weary. Many times we give our wife and children leftovers because we spent all of our energy at work or elsewhere. We must choose daily to set our priorities straight and then give our best EVERY day and NEVER quit! Perseverance is a daily choice to demand that we live out God's best in our life!
